

CARDANO STARTER KIT #005 | SUBMISSION INSTRUCTIONS

The Gimbalabs Local ADA Spending Challenge

The first 25 people to successfully complete the challenge will receive 10 ADA and one limited-edition commemorative token from Gimbalabs as soon as Mary goes live on the Mainnet.

Our goal is to create a celebratory compilation of photos and stories from people using ADA in their communities. We ask that you share a photo from your transaction, and 2-3 sentences telling the story of who, what, where, when and how much ADA you spent.

After you complete the challenge, please share your success by [completing this form](#).

To help you prepare, here is a list of what we'll ask for on the form:

1. Name
2. Email address
3. What goods or services did you purchase with ADA?
4. Where or from whom did you make this purchase?
5. How much ADA did you spend?
6. What was the approximate value of this transaction in local currency?
7. Tell the story of your transaction in 2-3 sentences.
8. Share a photo - we're not taking video, but if you make a video let us know
9. What is the transaction ID on Cardano?
10. Where should we send these rewards? (Cardano Receiving Address)
